TEACHER FEEDBACK

The Neshobe School 2021 - 2022

It plays an important role to engage students and give them a boost or build a connection that isn't always possible to create within the school structure.

— teacher

I think it is very beneficial for the students, Some of them don't get one on one attention anywhere else!

— teacher

My student looks forward to it and it's been a positive part of her year.

— teacher

Everybody Wins! allowed these kids to connect with adult mentors in the community. It provided a way to boost literacy skills and social-emotional skills.

My daughter has benefitted from her connection to her mentor. In an incredibly unstable time, he has been a constant for her. It is a reminder that she is valued and has value for others.
